

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than sixty years combined experience with effectively manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to offering top quality and new design concepts in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They enjoy providing products that energize both their dealers and their partners and provide production gains to their customers.

The team at TREK enjoys tackling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' requirements and skills along with their understanding of cleaning applications, along with owners' strong desire to significantly reduce cost through productivity gains.

When needed, the staff members within TREK and its numerous dealer members in both parts and in technical support would be available. Among their core values is their high service commitment in their customer service. Keeping their clients' cleaning machines ready and functioning on a daily basis is top priority. The company's top of the line technology delivers reliable machine that eventually reduces your cleaning expense. The product, the price and the service all work together to be able to make them an industry leader.
