

## Rockwell Parts

Rockwell Parts - The company of AxleTech International is a large supplier of specialty vehicle drive-train systems and parts along with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to meet and exceed their clients' expectations for technology, delivery, quality and service. They believe in working in an atmosphere that supports the highest integrity with empowered teamwork, along with a relentless pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively utilizing principals of ecological stewardship and safety in how they do business. The business has put different programs in place to be able to articulate these values in their business policy. AxleTech gladly shares this policy and welcomes interested parties to offer them with whichever comments or questions, since they are glad to promote and share this policy with a greater understanding of their efforts. They are extremely committed to improving and preserving the natural world. AxleTech has an EHS program which not just protects the natural environment but which even actively protects their neighbors and workers as well.

AxleTech specializes in the manufacture and designing of planetary axles utilized for both commercial and military applications, which could consist of anything from construction equipment to airport ground support. They take great pride in being a ground-breaking drive-train solutions provider too. AxleTech specially designs axles to meet particular application demands. They have over 1000 various axle specs in their current offering. With more than one hundred years of experience and history, AxleTech proudly supplies the most complete solution for whichever of your axle needs. The business is well known in numerous commercial and military applications. They provide complete axle assemblies for aftermarket replacement needs, together with servicing axle needs for OE production. Their high mobility ISAS have extra details which can be found in the "ISAS" product selection.
