

American Lincoln Part

American Lincoln Parts - The American Lincoln division is presently associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines which are recognized in the industry as strong and durable machines which meets all the requirements of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These types of scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln could provide warranty service, machines and parts for these types of scrubbers that have both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where results and efficiency make a difference. Lately, this particular floor scrubber model has been requested by the architects in different construction jobs like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on location because of the model's supreme performance level and high standard of quality for polishing concrete.
