

Nissan Forklift Parts

Nissan Forklift Parts - Nissan prides itself on reaching total customer fulfillment when their buyer is enjoying one of their various trucks, cars or forklifts. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to delivering high value and detail-oriented quality standards to their customers. Incorporating a fruitful heritage combined with resilient production principals, Nissan Forklifts offer a few of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European manufacturing warehouse in Sweden to keep up with worldwide lift truck demands. Committed to offering customer support, the business has four distinct manufacturing facilities that permit them to constantly adapt to their clients continually evolving requirements by providing a range of innovative ideas and designs.

The Nissan Forklift North and South American foundation is stationed in Marengo, Illinois. A loyal team of 350 personnel is committed to the cooperation, design and fabrication of their goods. Working under the ISO-9001 and ISO-14001 certifications, allows every sector of the Nissan Forklift Corporation to sustain environmental responsibility by using methods that reduce the global influence of their products and processes. These high standards remind customers that Nissan operates under the quality seal that their consumers command while being an environmentally conscious company.

Nissan is confident that they will be capable of addressing any customer queries or considerations. Always available through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their hospitality and commitment.
