

Lull Telehandler Parts

Lull Telehandler Parts - Lull telehandlers have been providing precision load placement since the year 1959. Whether the work requires landing loads on scaffoldings, transferring loads or positioning heavy steel, using a Lull telehandler will really help make the task go faster and easier. These units are complete with the patented Stabil-Trak stability system to be able to ensure operator confidence.

The horizontal placement system by Lull can provide eighty inches of boom travel for precision placement capabilities. There are likewise several optional Lull accessories for their telehandlers to help complete whichever work.
